*In requesting to serve on a TEC retreat, I realize that I am making a commitment to attend the entire retreat, all preparation and clean-up activities, all team meetings and will try to attend the Going Fourth following the TEC retreat. I also realize that I may not be asked to serve in the position of my first choice, or at all, but I am willing to serve wherever or however needed. I understand that this will be a retreat dedicated to serving others and I will make that my first priority.*
